#### Breathe Safe™ Interior Water-Based ZERO VOC Finishes From Muralo

Muralo has introduced Breathe Safe™ Interior Water-based ZERO VOC finishes, a new line of eco-friendly interior products. Muralo Breathe Safe™ is a virtually odorless, high-performance, water-based latex, formulated with no harmful solvents and based on a sustainable chemistry technology. It is recommend-

ed for use on previously painted wallboard, plaster or masonry. Breathe Safe meets or exceeds Green Seal and LEED green building requirements and it is ideal for nursing homes, schools, babies' rooms and health care facilities, as well as the hotel/motel industries. It is available in flat, eggshell and semi-gloss. It can be tinted to any color. **The Muralo Company**, 148 E. Fifth St., Bayonne, NJ 07002.
